

CLEVELAND NOT IN RACE—BRYAN

Last Democratic National Candidate Says Ex-President Could Not Carry a Single State.

NEBRASKAN SAILS BUT WILL RETURN HERE SOON.

In His Opinion the Nation's Former Chief Executive Seems to Be the Bugaboo of the Democratic Party.

A large number of friends and admirers gathered at the Majestic's pier to-day to bid bon voyage to William Jennings Bryan, who sailed on his first visit to Europe.

Several handsome floral pieces had been sent to Bryan's cabin by admirers, and the leader of the silver wing of the Democratic party was in excellent spirits as he conversed with his friends prior to the departure of the steamer.

Mr. Bryan will visit England, France and Germany during his trip, and expects to return in about six weeks, when he will take up the work of the coming Presidential campaign.

In an interview before sailing Mr. Bryan paid his respects to Grover Cleveland in no uncertain terms. In the opinion of Bryan Cleveland is the bugaboo of the Democratic party.

In his exclusive interview for The World, speaking of Cleveland, Bryan said:

"To carry out a bargain with Wall street he made the White House the rendezvous of syndicates and exploiters and administered the Treasury Department in a manner that makes the record of the unjust steward of Bible fame seem paltry by comparison.

"Then you do not seem to think that Mr. Cleveland has a chance for the nomination next year?"

"No. He has never had a chance since 1888, and he is so old now that if he repented in sackcloth and ashes—and it would hurt the market on both if he undertook it—he would be overtaken by decrepitude before he could bring forth works meet for repentance. I doubt if he could carry a State in the Union.

Humor or Lack of Knowledge.

"The people who talk about nominating him are either indulging in humor or they have very little knowledge of the sentiment that exists among the rank and file of the Democratic party."

"Do you think that his nomination would break the party into pieces?"

"Oh, no. He could not carry enough of the party with him to amount to a piece."

"While waiting for the ship to pull away from the dock Mr. Bryan said to an Evening World reporter:

"Nothing can be said about the issues of the next national campaign. One thing I think will come to pass, however, and that is that there will be unity in the Democratic party. Of course, you might find a few who call themselves Democrats standing on the outside, but they do not really count in the big political contest."

As to silver, Mr. Bryan preferred to remain silent. He was just as reticent about candidates, but he did have something to say about the last New York City election.

Late Elections Have No Effect.

"The fact is," he said, "that the Democratic majority was reduced one-half in New York, but there is no reason to feel aggrieved on that score. The most charitable view should be taken. In no way does it suggest a falling off when national issues are involved."

"The election in Ohio does not alter the situation, I think, in regard to the Republican choice for the presidency. It looks like Roosevelt, and not Hanna. I think that Roosevelt will surely be nominated at the next convention."

"What have you to say on the Panama entanglement?"

"I am not able to answer that question. I wish to make a thorough investigation of all the conditions before coming to a definite conclusion. All good Democrats make thorough investigations of all questions before talking, do they not?"

Sailing on the Majestic were Lord and Lady Denbigh. Col. Denbigh is the head of the Honorable Artillery and was escorted to the ship by the Col. Denbigh of the Boston Ancients. Mr. Bryan was introduced to the English party and was soon in animated conversation with Lady Denbigh.

CANADIANS HISS OUR FLAG.

Big Anti-American Demonstration in Montreal Theatre.

(Special to The Evening World.) MONTREAL, Nov. 11.—There was a great anti-American demonstration at the Academy of Music last evening at the end of the performance of the "Phoebe of Pilsen."

As a sort of an apotheosis, the players bring on two American flags and immediately afterward two Union Jacks, between which Britannia winks out to the centre of the stage.

Monday night the flags followed one another quickly, but when the third flag was some delay and as the Stars and Stripes remained waving a terrific uproar broke out commencing in the gallery and communicating itself to the balcony and the orchestra. Hisses, shouts, catcalls and booms were simply deafening. It was several minutes before the figure of Britannia came out before the audience arose and refused to leave the theatre, although the play was over, before they had sung "God Save the King." More trouble is expected to-night.

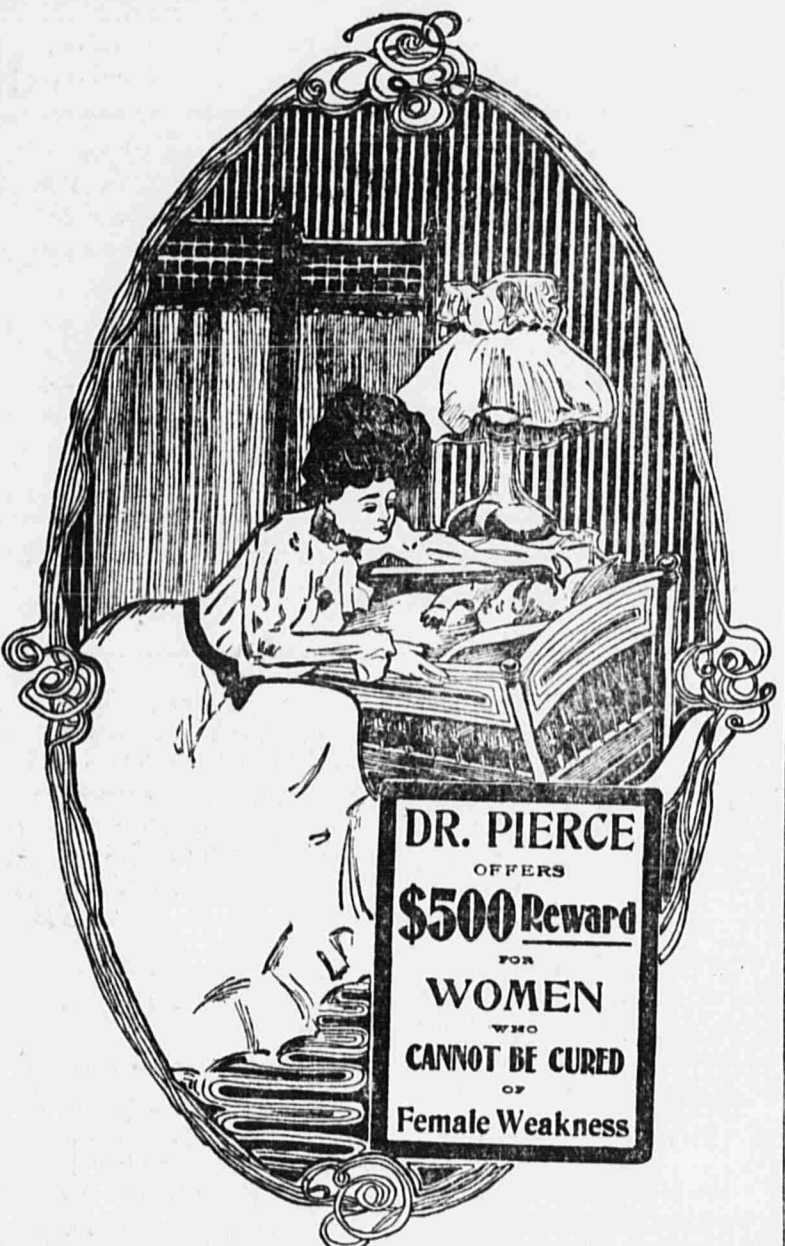

CANADA FACES NEW ERA.

President Gathering Cheers a Prophecy of Independence.

TORONTO, Ont., Nov. 11.—At the annual meeting of the Canadian Club last night Mr. W. A. P. Parker, the newly elected President, declared that the country was living on the threshold of events. Many of those present declared would see the great step taken that would lead perhaps to separation from the United States.

Many prominent men are members of the club. The President's remarks were cheered. Mr. Parker is a well-known politician.

W. J. BRYAN, WHO, SAILING, FIRES PARTING SHOT AT CLEVELAND.

"The Hand That Rocks the Cradle Rules the World."

MOTHER'S love starts a man or woman on the right path. The right remedy at the right time is a mother's love. Motherhood is often looked forward to with feelings of great dread by most women. At such a time when she is nervous, dyspeptic, irritable and in need of a uterine tonic—something which will calm the nervous system through the special organs, and a strength builder—she will find Dr. Pierce's Favorite Prescription just what is needed. Here is a medicine that has stood the test of a third of a century with approval; in that time it has sold more largely than any other remedy put up specially for women's weaknesses. It is guaranteed by the proprietors not to contain a particle of alcohol—which could only do harm to a sensitive system.

WHY WOMEN SHOULD CONFIDE IN A MAN. It is much easier for a woman to confide in the average man than in the average woman. She knows that the man will respect her confidences and keep them to himself. He is strong, has more experience of the world and can help the woman who needs advice. Without a perfect medical understanding there can be no helpful advice. Women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the womanly organism. When a woman has this and pains that she cannot bear—when life seems dark for every woman—she should confide her troubles to a physician of standing in the community, or one who has a national reputation. Certainly it would not be the part of wisdom to confide in an ignorant person without medical education simply because she was a woman. There is every reason why she should write to some great spe-

Last Soldier of 1812 Vigorous at 107

Edward Noyes, a Drummer Boy Under Andrew Jackson, and Who Also Served in the Civil War, Is the Oldest Living Veteran. He Says DUFFY'S PURE MALT WHISKEY Has Kept Him Strong and Healthy Past the Century Mark.

Mr. Noyes, the hero of two wars, a soldier whose life has been written up all over the country, although 107 years of age, states that he feels as well and strong to-day as he did 40 years ago, and recently made a trip from Unity Corners, N. H., to Chicago without suffering any hardships.

A drummer boy in the war of 1812 and a teamster in the civil war, as he was even then too old to serve in the ranks, Mr. Noyes has had a most eventful life. He remembers with great vividness many of the historical features of the last century, and gratefully attributes his marvellous vitality and wonderful old age to

DUFFY'S PURE MALT WHISKEY

He says: "An old man's life can be a happy one if he is well, and I have been just as active and strong up to a few years ago as I was during the war in the South. My family and friends are all gone, but I am cheerful and hope to live some time yet."

I was born in what is now Unity Corners, N. H., in 1797. I had been pretty well all my life, but sickness came upon me during the war. I was then 20 years old, and I was told that I was old, and that I was not to live long. I was then told that I was not to live long, and I was then told that I was not to live long.

Old age is happy when it goes hand in hand with health. Hundreds of men and women who have passed the century mark are kept alive and well to-day by the use of Duffy's Pure Malt Whiskey. It was

HIS ONLY MEDICINE

This is a guarantee. It is a tonic-stimulant recommended by physicians of every school, and it is a food. It is a food that gives the weary and depressed, it relieves the aching head, gives to the limbs their old-time vigor and clears the brain. It enriches the blood and nourishes the vital forces, and in this way drives out disease and restores health and longevity. Doctors call it "a form of food already digested," as it agrees with the most delicate stomach. If you wish to keep strong and well in old age take a tablespoonful three times a day in milk or water.

Duffy's Pure Malt Whiskey cures coughs, colds, consumption, bronchitis, grip, catarrh, asthma, rheumatism and all diseases of the throat and lungs, indigestion, dyspepsia and all forms of stomach trouble; nervousness, malaria and all low fevers. Used exclusively in over 2,000 hospitals.

CAUTION.—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and malt whiskey substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's," and be sure you get it. It is the only absolutely pure Malt Whiskey which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in sealed bottles only; never in flasks or bulk. Look for the trade-mark, the "Old Chemist," on the label, and be certain the seal over the cork is unbroken. Beware of refilled bottles.

Sold by all druggists and grocers, or direct, \$1.00 a bottle. Interesting medical booklet free to any one. Duffy Malt Whiskey Co., Rochester, New York.
